

## **Inaugural David Hunter Memorial Lecture**

David Hunter was one of the founding members of ANTaR and the Journey of Healing in the ACT, and an enormously supportive and inspiring activist on Indigenous issues. In October 2000 he was diagnosed with multiple myeloma, and he died in December 2003. In memory of David's contributions to reconciliation and Indigenous rights, ANTaR and Journey of Healing ACT are hosting an annual memorial lecture. The 2004 inaugural David Hunter Memorial Lecture will be:

### **Healing the Nation: A question of leadership**
